**"Brett Walkow has the ability to fill a room with energy and laughs. The words "high-octane" and "electrifying" are probably over-used in the entertainment world, but in the case of his act, they are fitting."**

**Georg Szalai, NY Bureau Chief – Hollywood Reporter**

**"Brett is brilliant... His comedy is smart, intelligent, completely insane, and the physical comedy had me on the floor."**

**Michael Caufield, WireImage**

**"Brett in a nutshell is a nut case in his own right. And the crowd loves it."**

**Brian Glazen, Playboy Entertainment**
